## 1. Finow (N 53/V08) Airfield, prior to 4 November 1950

The direction-finding station, previously observed at the entrance to Finowfurt, (N 53/Z 98) has been dismantled. The direction-finding, radio, and radar (Dumbo) stations remain in position near the Biesenthaler-Finow Chaussee, where they were previously observed.\*

## 2. Oranienburg (N 53/Z 67) Airfield, prior to 30 November 1950

Two single-mast radio stations were observed at Oranienburg Airfield, one near the hangar and the other on the north side of the airfield beyond the lead-in lights. Near the latter station was a wooden shed, large enough to accommodate a small truck, and a small hut, which was used as living quarters. No radar device was observed on or near the airfield.
